Would it Matter to You?

Don't block the box! How about seeing the pictures of the actual cars that do that pop up on social media right? Traffic, as we know it in Fayette & Coweta is not something to look forward to. Especially if you work during the day and have to travel maybe to Atlanta or further for work. Then you really have to figure out the best time to leave.

Looking for homes for some of our buyers, this definitely becomes an issue. A buyer may see the absolute perfect home for them, but, if it adds another 15-20 minutes to their commute, it's not worth the sacrifice to some. When you purchased your home, did traffic have a factor into your decision?
