Could You Live by One?

This is definitely the time of year we get to enjoy outdoor concerts, whether it's a big venue or a small one. People that know us know that we love to travel to see our favorite cover band perform all over the United States, Tom Sandoval & The Most Extras (yes, the Tom Sandoval from Vanderpump Rules) - anyway, it got me thinking, those who live close to an outdoor venue, does it bother you hearing music playing into the night?

Most venues will shut down music about 10pm, I think I would like it, I guess as long as there's not a lot of bass and stuff (I'm old like that), what do you think? Tom Sandoval and the Most Extras need to come to one of our local venues, we've seen them 24 times so far. If you found your dream home and it was near an outdoor music venue, would that deter you from buying the home?
