Are You an FSOB?

Are you an FSOB? We did our tik tok video yesterday about this very subject, and that's ok if you are. We totally get it.

One thing is true though, when we work for you, you will be confident knowing we do the absolute best job for you that we can. Is it always pretty? No way! Are there challenges and obstacles we have to navigate through to

get to the best solution for you? Absolutely. That's what we're good at, figuring out solutions to anything that comes up (and they do, all the time) - doing what's best for you.

Check out our tik tok video below that we did about being a FSOB. It's a song by Max Bergmanis, he is an extremely talented musician, he is also one of the band members of the cover band that we love to follow around the country, Tom Sandoval & The Most EXTRAS (yes, Tom Sandoval from Vanderpump rules.) We love all of the band members and will always support them. Anyway, give the song a listen, it's also the song of the week, I think you're going to love it.
