Those Were The Days

Adjusting to change can sometimes be difficult, but we quickly learn to manage. The change that has happened recently in the real estate world, is it really that big of a change? I'm sure by now you've heard on the news about the settlement with The National Association of Realtors. What does this all mean anyway? Why was there a lawsuit to begin with? Are things forever changed in how buying or selling a home works?

We have the answers to this and many more questions for you! On Thursday, 8-22-24, on our Ask Bill & Kate Thursday Nights @ 8 show on our [Hayfer Group Facebook Page](#), we sit down with our broker James Hamby, President

& CEO of Southern Classic Realtors and discuss what the National Association of Realtors settlement means for buyers and sellers. You don't want to miss this. You'll get a great understanding for the next time you'll be in the market to buy or sell, what options you have and what will benefit you the most. See you Thursday Night @ 8 - and if you do miss it, it will be up on our Hayfer Group Facebook page, as well as our website, hayfergroup.com and our [Hayfer Group You Tube Page](#).
