38 Acres Vision

Fayetteville, GA is on a goal to keep improving and I came across a video you might find interesting. "In [this video](#), our Elected Officials and Economic Development staff articulate the vision behind the 38-acre project, emphasizing its endless possibilities. This project has been a long-term goal for the City Council. Local business owners also share their perspectives on the positive impact the 38-acre project will have on their entrepreneurial endeavors."
