Would You?

Creepy thing to think about, but we do get asked if we sell houses that are haunted. Would you buy a house that is haunted? Is your house haunted? [This article](#) is interesting - and - " In a survey of 1,000 people across the U.S. about homebuying preferences conducted by Real Estate Witch, a partner of Clever, 67% said they'd be willing to buy a haunted house, while the remainder said nothing could convince them to do so." Well - 67% is better than 0%!
